NAVIGATING THE FUTURE
Climate Ready Coasts and Ports

WELCOME

The Local Organising Committee, with the support of Engineers Australia's National Committee on Coastal and Ocean Engineering, PIANC Australia and New Zealand, Engineering New Zealand and the New Zealand Coastal Society, are pleased to welcome you to the Australasian Coasts & Ports 2025 Conference – the pre-eminent forum in the Australasian region for professionals to meet and discuss issues extending across all disciplines related to coasts and ports.

The Australasian Coasts & Ports Conference series is the pre-eminent forum in the Australasian region for professionals to meet and discuss multi-disciplinary issues related to coasts and ports. This Conference will continue to publicise the persisting importance of coastal engineering problems, incorporating numerous concurrent streams for technical presentations, half-day field trips and the opportunity to network with colleagues in a vibrant social program including a Welcome Reception, Conference Dinner, and other optional activities.

The first Australian Conference on Coastal Engineering was held in 1973 in Manly, Sydney, Australia. The theme of that conference was "Engineering Dynamics of the Coastal Zone". Since that conference, the Coasts and Ports conference series has explored many different themes that have focused on fundamental scientific and engineering questions, the role of coastal, ocean and port engineers and the challenges that face communities in the coastal zone.

The Australasian Coasts and Ports Conference 2025 will be held at the Adelaide Convention Centre from the 18 - 21 August 2025. Australasian Coasts & Ports 2025 will continue to highlight the persisting importance of coastal engineering problems, incorporating numerous concurrent streams for technical presentations, half - day field trips and the opportunity to network with colleagues in a vibrant social program including a Welcome Reception, Conference Dinner and other optional activities.

The Conference theme is **Navigating the Future: Climate Ready Coasts and Ports.**

WHO SHOULD ATTEND?

Australasian Coasts & Ports 2025 is a Conference that will be of interest to any person with a professional interest in the coastal and maritime environments. The Conference will bring together engineers, planners, scientists and researchers to Adelaide, to focus on the technological, scientific, policy, planning and design issues related to our diverse and developing coasts.

It will integrate ideas and knowledge among engineers, port and maritime operators, researchers and scientists, local/central government, maritime manufacturers, planners and policy makers and media.

SPONSORSHIP OPPORTUNITIES

A number of opportunities are available at the Australasian Coasts & Ports 2025 Conference, giving your organisation the chance to raise your profile within the Australasian port, maritime and coastal sectors. All daytime catering, as well as the Welcome Reception, will be held in the exhibition area to promote maximum networking with conference delegates. A variety of sponsorship opportunities are outlined in this document. These will be secured by receipt of payment on a first come, first serve basis.

CONFERENCE LOCATION

Adelaide, South Australia

Adelaide, the capital of South Australia, is a vibrant city known for its rich cultural scene, picturesque parklands, and thriving food and wine culture. Nestled on the southern coast near the Gulf St Vincent, Adelaide offers a blend of modern amenities and natural beauty.

The city is renowned for its festivals, including the Adelaide Festival and Adelaide Fringe, and is surrounded by world-class wine regions like the Barossa Valley and McLaren Vale. Adelaide's layout features extensive parklands surrounding the central business district, providing ample green spaces for residents and visitors. Attractions such as the Adelaide Oval, Central Market, and various historic sites reflect the city's dynamic blend of contemporary and traditional influences.

Close to natural wonders like Kangaroo Island and the Fleurieu Peninsula, Adelaide combines cultural richness with easy access to stunning landscapes, making it a unique and appealing destination.

CONFERENCE VENUE

Adelaide Convention Centre

North Terrace
Adelaide, South Australia

The Adelaide Convention Centre, situated on the River Torrens, is a premier venue in Adelaide, South Australia. It boasts modern facilities with flexible spaces and advanced technology, accommodating up to 3,500 guests. Centrally located with scenic river views, it's ideal for a range of events, including conferences, exhibitions, concerts, and cultural gatherings. The Centre is also committed to sustainability, incorporating green building practices and energy efficiency into its operations.

The exhibitor pass includes access to the exhibition area only, as well as daytime conference catering. Exhibitor passes can be purchased via the Exhibitor Registration form.

TERMS & CONDITIONS

To Confirm Sponsorship / Exhibition Booking

To confirm a sponsorship or exhibition booking, please complete the booking form and return to jayne@eastcoastconferences.com.au. A tax invoice will then be sent to you for processing. Benefits will only be confirmed once full payment has been received.

Trade Exhibition Booth Allocations

The trade exhibition floorplan will be finalized approximately two months prior to the conference. Platinum Sponsors will be given first preference of booth locations. Location preferences of remaining exhibitors will be allocated in order of date payment was received. East Coast Conferences will manage the booth locations and reserves the right to assign or reassign exhibition space as deemed necessary.

Payment

Full payment is due at the time of application. All prices listed in this document are in Australian dollars and include GST.

Cancellation Policy

Once a booking form has been received by East Coast Conferences for any sponsorship or trade exhibition opportunities, any cancellation must be received in writing. If the cancellation is notified by Friday 16th May 2025, an administration fee of 25% of the total price is retained/due. If the cancellation is received after 16 May 2025, no refund is applicable, and full payment is required if any amount remains outstanding at that time. Please note that cancellation terms apply regardless of whether any payment has been received at the time of cancellation.

Public and Product Liability Insurance

Australian regulations require all exhibitors to have adequate Public and Product Liability Insurance cover based on a limit of indemnity to the value of AUD \$20 million or above. This refers to damage or injury caused to third parties / visitors on or in the vicinity of an exhibition area. Please ensure a copy of your current Public Liability Insurance Certificate of Currency is forwarded to jayne@eastcoastconferences.com.au with your booking form.

Signage

All signage is to be free-standing, unless otherwise approved. Where a sponsorship package includes the display of a pull-up banner, the banner must be supplied by the sponsor. It is the sponsor's responsibility to ensure the banner is put up and taken down in the appropriate area and times according to the package.

Delegate List

The list of delegates will be supplied to sponsors and exhibitors (where included in chosen package) after the conference. The list will include name, organisation, state/country and email address. The list will exclude delegates who have opted out from being included on the list during the registration process.

Onsite representatives

All sponsor and exhibitor representatives who are attending the conference must complete the sponsor or exhibitor registration form prior to attending. It is not possible to share registrations, due to insurance constraints. Registrations included in sponsorship and exhibition packages must be allocated to one person only, for the duration of the conference. Day registration rates are available for representatives not able to attend the full conference.

Sustainability

The Australasian Coasts and Ports Conference is aiming to be as sustainable as possible. For this reason, we will no longer have satchel inserts or a printed program book and will instead be utilising the conference App more prominently. Reusable conference bags will be offered to delegates upon registration. A virtual satchel will be available on the conference website. We encourage sponsors and exhibitors to follow this lead by reducing the amount of paper waste at their stand.
